

Panasonic KX-TG752 Series

Panasonic launches the impressively well-crafted KX-TG752 Series in their range of premium quality cordless DECT phones. This state of the art home phone with integrated answering machine features a metallic grey handset and base with a white-illuminated keypad. The comfortable handset has a ringer LED and an extra large 2.1 inch monochrome screen for optimum visibility. There is a central joystick navigation control for easy operation of the phone's various functions via the intuitive menus on the bright and highly readable colour display screen. Available in Single (KX-TG7521) and Twin (KX-TG7522) Packs
