

Polycom SoundStation2

With industry-leading full duplex for natural, simultaneous two-way conversation, the SoundStation 2 will exceed your expectations in medium to small conferencing rooms, while Polycom's SoundStation 2 EX will do the same for larger meeting rooms.

- Twice the voice quality of the original SoundStation
- Superior voice quality: full duplex system eliminates echoes, clipped words & reverberations
- Ideal for up to 8 people - increasing to 16 users with the 2EX version & extra mics
- Acoustic Clarity Technology
- Worldwide Caller ID
- Easy to use - operates just like a normal phone, including hold, mute & transfer buttons
- 25 number phonebook/speed dial
- Simple to install - phone plugs into standard analogue telephone jack & power socket
- Digitally tuned microphones & speaker give 360 degree room coverage
- Intelligent mixing on microphones
- Expandable with SS2 EX version & additional microphones
